MEMORANDUM

DATE: June 16, 2022
TO: Members, Board of Directors
FROM: Juan Salgado, Chief Executive Officer
SUBJECT: Multifamily Housing Revenue Bonds (Residences at Falcon Park Project), Series 2022

BACKGROUND

On October 19, 2021, Falcon Park, LLC, an Arizona limited liability (collectively with its assignees and designees, the “Borrower”), obtained preliminary Board approval for a multifamily housing project to be known as the Residences at Falcon Park Project to finance or refinance acquisition, construction, improvement, equipping and/or operation of the project site (the “Project”).

The Borrower is now seeking the Board’s final approval for the issuance of the Phoenix IDA’s subject Multifamily Housing Revenue Bonds (the “Bonds”), in an aggregate principal amount not to exceed \$25,000,000. The Borrower will seek Phoenix City Council approval on July 1, 2022, pending Phoenix IDA Board approval.

THE PROJECT

The Borrower states that the project will be comprised of an approximately 192-unit multifamily residential rental housing complex (a portion of which will be set aside for occupancy by low- to moderate-income tenants). The project is currently expected to be located at or near 1220 North 34th Avenue in Phoenix, Arizona, within Phoenix City Council District 4, represented by Councilwoman Laura Pastor.

The Borrower anticipates completing the Project work by the 3rd Quarter of 2024.

PLAN OF FINANCING

At this time, the Bonds are projected to be purchased by Boston Capital Finance LLC. The Borrower expects the sale of the Bonds to be completed by July 2022.

RECOMMENDATION

Kutak Rock, as legal advisor to the Phoenix IDA, and I recommend that approval be granted subject to the terms and conditions contained in the Board final approval resolution, as reviewed by same.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of The Industrial Development Authority of the City of Phoenix, Arizona as follows:

Section 1. The Board of Directors finds and determines that the issuance of the Bonds and the making of the Loan to the Borrower for the purpose of financing and/or refinancing all or a portion of the cost of the acquisition, construction, improvement, equipping and operation of the Project and the costs and expenses incidental thereto are in furtherance of the purposes of the Authority under the Act, that the Project will constitute a “project” within the meaning of the Act, and that such financing and/or refinancing is in the public interest.

Section 2. The Bonds, which shall be named as set forth herein or as otherwise set forth in the Indenture, are hereby approved and authorized to be issued pursuant to a plan of finance in one or more tax-exempt and/or taxable series in an aggregate principal amount not to exceed \$25,000,000, to be dated, to mature (no later than 40 years after their date of issuance), to bear interest, to be subject to redemption and tender for purchase, to be payable as to principal, interest and any premium, and with such other terms, all as provided in the Indenture pursuant to which each series of the Bonds are issued. This approval is subject to the following terms and conditions:

2.1 If a series of Bonds has not received a rating of “BBB-” or better (or an equivalent rating) from a nationally recognized bond rating agency, each purchaser of such series of Bonds shall execute and deliver an investor acknowledgement letter in form and substance satisfactory to the Authority and its counsel setting forth, *inter alia*, eligibility requirements of any purchaser and restrictions on the transfer of such series of Bonds; provided, however, the provisions of this paragraph may be waived by the Authority in its sole discretion prior to the issuance of the Bonds;

2.2 Notice regarding the issuance of the Bonds is given to the Arizona Attorney General in the manner contemplated by Section 35-721(F) of the Act and, within ten days of such notice, the Arizona Attorney General does not issue an opinion indicating that the project to be financed does not come within the purview of the Act;

2.5 The proceedings under which the Bonds are to be issued have been approved by the Council of the City of Phoenix, Arizona (the "City");

2.6 The Authority, its officers, directors, employees, agents and its Chief Executive Officer and the City are provided with full indemnification in connection with the issuance and sale of the Bonds, in form and substance satisfactory to the Authority's counsel, from a credit-worthy source;

2.7 The Borrower agrees to make arrangements mutually satisfactory to the Authority as to the payment of the Authority's closing fees, annual administrative fees, and expenses, the terms and conditions of which will be incorporated into the Documents executed in connection herewith.

Section 3. The Bonds shall be payable solely from the receipts and revenues received by or on behalf of the Authority pursuant to the Loan Agreement, and other security provided in the Indenture, and such payments, revenues and receipts as shall be pledged and assigned to the Trustee as security for the payment of the Bonds as provided in the Loan Agreement. Nothing contained in (a) this Resolution, (b) the Documents, or (c) any other agreement, certificate, document, or instrument executed in connection with the issuance of any of the Bonds shall be construed as obligating the Authority (except as a special limited obligation to the extent provided in such documents or instruments) or obligating the City or the State to pay the principal of or premium, if any, or interest on the Bonds, or as incurring a charge upon the general credit of the Authority, the City or the State, nor shall the breach of any agreement contemplated by this Resolution, the Documents, or any other instrument or documents executed in connection herewith or therewith impose any charge upon the general credit of the Authority, the City or the State. The Authority has no taxing power.

Prior to the issuance of the Bonds, the Authority has or will have issued, and subsequent to the issuance of the Bonds, the Authority may issue, notes, bonds or other obligations in connection with the financing of other projects (such notes, bonds or other obligations, together with any notes, bonds or other obligations issued by the Authority between this date and the issuance of the Bonds shall be referred to herein as the "**Other Bonds**"). Any pledge, mortgage, or assignment made in connection with the Other Bonds shall be protected, and any funds pledged or assigned for payment of principal of or premium, if any, or interest on the Other Bonds shall not be used for the payment of principal of or premium, if any, or interest on the Bonds. Any pledge, mortgage, or assignment made in connection with the Bonds shall be protected, and no funds pledged or assigned for the payment of the Bonds shall be used for the payment of principal of or premium, if any, or interest on the Other Bonds.

Section 4. The forms, terms, and provisions of each of the Documents, in the forms of such Documents (including the exhibits thereto) presented to this meeting, are hereby approved, with such insertions, deletions, and changes as are approved by the officers authorized to execute the documents (which approval will be conclusively established by their execution and/or delivery thereof). Upon satisfaction of the conditions set forth in Section 2 hereof, the Authority's President, Vice President, Secretary, Treasurer and Chief Executive Officer (each an "**Authorized Officer**") are each hereby authorized individually in such offices to execute and deliver each of the Documents and any related documents necessary to effectuate the financing contemplated by this Resolution, including, without limitation a tax certificate as to arbitrage and the provisions of section 103 and sections 141-150 of the Code, or, with respect to any of the Documents not calling for execution by the Authority, to approve and deliver such documents, with respect to any one or more series of the Bonds. From and after the execution and delivery of each of the Documents, the officers, agents, employees and Chief Executive Officer of the Authority are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents, certificates and assignments as may be necessary to carry out and comply with the provisions of each of the Documents (as executed and delivered) and this Resolution.

Signature pages for any Documents requiring the Authority's signature shall be delivered to Authority's counsel no fewer than seven (7) days prior to Note closing or any other date on which an executed signature page is required (unless otherwise agreed to by the Authority and its counsel), and once executed will be held in escrow by the Authority's counsel and delivered on the closing date or on such other date on which an executed signature page is required.

Section 5. After the Bonds are delivered to the holders upon receipt of payment therefor, this Resolution shall be and remain irrevocable until the Bonds and interest thereon shall have been fully paid, canceled, and discharged.

Section 6. Nothing contained in this Resolution, nor in any other instrument, may be considered as obligating the Authority or the City to any pecuniary liability or charge upon the general credit of the Authority or the City. Furthermore, it is understood that no costs are to be borne by the Authority with respect to the Project and the issuance and sale of the Bonds except those to be paid out of the proceeds of the Bonds, and that the Borrower will promptly reimburse the Authority for any other expenses reasonably incurred by the Authority, including the fees of its legal counsel and any financial advisor, whether or not the Bonds are issued or sold.

Section 7. The actions of the Borrower and those acting on its behalf in filing one or more requests from time to time for allocations for private activity bonding authority for the Bonds through the Arizona Finance Authority (whether in the form of carryforward allocations or otherwise) is hereby ratified and authorized in an aggregate principal amount which, inclusive of any and all such requests, shall not exceed \$25,000,000.

Section 8. In accordance with Section 147(f) of the Code, the Authority has or will publish notice of and will hold a public hearing, the results of which will be reported to the City prior to its approval of the Bonds. The officers of the Authority and the Chief Executive Officer, each acting alone, or any representative thereof or of the Authority, including employees thereof, are hereby authorized and directed, in consultation with the Authority's counsel and bond counsel, to hold such public hearing for and on behalf of the Authority.

Section 9. All actions of the officers, staff, directors, employees, agents and Chief Executive Officer of the Authority which are in conformity with the purposes and intent of this Resolution and in furtherance thereof, whether heretofore or hereafter taken, including but not limited to the engagement of Kutak Rock, LLP, as the Authority's counsel and bond counsel, shall be and are hereby ratified, confirmed and approved. The proper officers, staff, directors, employees, agents and Chief Executive Officer of the Authority are hereby authorized and directed to do all such acts on behalf of the Authority as may be deemed necessary or desirable to carry out the terms and intent of this Resolution.

Section 10. The Chief Executive Officer of the Authority, the members of the Board of Directors of the Authority and any director, officer, official, employee or agent of the Authority shall not be subject to any personal liability or accountability by reason of the issuance of the Bonds or execution, delivery or performance of the Documents. The liability of the Authority with respect to any document executed in connection with the transactions contemplated hereby, including the Documents, shall be limited as provided in the Act and such documents.

Section 11. The Borrower has indicated that it will incur and pay expenses relating to the Project prior to the issuance of the Bonds and expects to reimburse those expenditures with proceeds of the Bonds. The Authority hereby acknowledges that the Borrower intends to allocate proceeds of the Bonds to the reimbursement of any such costs of the Project paid prior to the issuance of the Bonds in accordance with Section 1.150-2 of the Treasury Regulations. Accordingly, this Resolution is a reaffirmation of the affirmative official action and declaration of official intent made by the Authority in the Preliminary Resolution relating to the issuance of the Bonds as required by Section 1.150-2 of the Treasury Regulations.

Section 12. Any provisions of any bylaws, orders, procedural pamphlets and resolutions of the Authority inconsistent herewith are hereby waived to the extent only of such inconsistency. This waiver shall not be construed as repealing any bylaw, order, procedural pamphlet or resolution or any part thereof.

Section 13. If any section, paragraph, clause or provision of this Resolution is for any reason held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision does not affect any of the remaining provisions of this Resolution.

Section 14. It is found and determined that all formal actions of the Authority and its Board of Directors concerning and relating to the adoption of this Resolution were adopted in an open meeting and that all deliberations that resulted in those formal actions were in meetings open to the public, in compliance with all legal requirements of the State and the Authority.

Section 15. Notice of Arizona Revised Statutes Section 38-511 is hereby given. The provisions of that statute by this reference are incorporated herein to the extent of applicability to matters contained herein under the laws of the State.

Section 16. This Resolution is effective immediately upon its adoption.

Section 17. Neither this Resolution, any of the Documents, nor any action taken by the Authority, any member of the Board of Directors, the Chief Executive Officer or the Authority's counsel in connection with the issuance of the Bonds is intended to provide, and shall not be construed as providing, advice of any kind to the Borrower or to the Authority with respect to the issuance of the Bonds for purposes of 15 U.S.C. The Authority is a conduit issuer and none of the Authority, the Board of Directors, the Chief Executive Officer or the Authority's counsel is acting or will act as a municipal advisor, financial advisor, or fiduciary to any party involved in the issuance of the Bonds.
